

A highly desirable location strategically positioned in the path of growth

- Superbly situated between two of the UK's major cities Manchester and Liverpool.
- Only 6 miles away from the M6 motorway. The major motorway between the North West and the South.
- Winsford railway station is on the 'West Coast' line and travelling time is just two hours to London.
- Winsford is equidistant between the Major airports of Manchester and Liverpool just 25 miles away from each.
- Winsford is just 25 miles away from the new 'Omega Project'. The omega project one of the biggest development projects in Europe valued in the region of one Billion Pounds. It is a joint project between Miller Construction and the Royal Bank of Scotland and backed by the English Partnership (the government agency that oversees regeneration projects). www.omegaopportunity.com
- The average price of a house in the Winsford area is approaching £275,000.
